

Mental Blocks Journal

Mental Blocks Journal

Keep a daily journal where you record any moments when you feel stuck, procrastinate, or avoid tasks. Reflect on these instances and try to identify the underlying mental block or limiting belief driving these behaviors. At the end of the week, review your entries and write a brief summary of any patterns or recurring themes you notice.

Mental Blocks Journal

Today I felt stuck when:

What can I learn from today's experiences?

Date:

Mental Blocks Journal
